

REMARKS

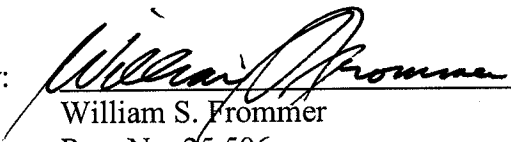

In the Office Action dated June 14, 2007, claims 1-21 were provisionally rejected under the judicially created doctrine of obviousness-type double patenting in view of claims found in copending Applications 10/673,712, 10/673,713 and 10/673,736. That rejection was addressed and overcome by the response filed October 15, 2007. The present amendment is submitted to define more particularly Applicants' invention.

Claims 1-21 are allowed; claims 22-26 (which were withdrawn from further consideration) are canceled; and new claims 27-29 are submitted. Accordingly, claims 1-21 and 27-29, all the claims in this application, are in condition for allowance. Early notice to that effect is respectfully solicited.

Please charge any additional fees that may be needed, and credit any overpayment, to our Deposit Account No. 50-0320.

Respectfully submitted,
